

Concern & Objectives

Recurrent training is under responsibility of the Airline. Training program and examiners have to be approved by the Airline's national authorities.

Prerequisites

Trainees must:

- Hold a valid class 1 medical,
- Hold a valid CL65 Type Rating.

Training programme and assessment

The programme is realized in accordance with the Airline's request.

ICARE could tailor training programs to meet your airlines requirements or design completely new courses to suit your own specifications.

Assessment

None
